Select: Interlibrary Services

A screenshot of the UConn Library homepage. The browser address bar shows "lib.uconn.edu". The page header includes the UConn logo and "UNIVERSITY OF CONNECTICUT". Below the header, there are navigation links: "Find", "Research", "Services", "Locations", and "About". A search bar is prominently displayed with the text "Search articles and the UConn library catalog" and a "Search" button. Below the search bar, there are four blue buttons: "Research Databases", "Research Guides", "Interlibrary Services", and "Group Study Rooms". To the right of these buttons is a promotional banner for "PAWS TO RELAX" featuring a small dog. Further right, there are sections for "Library Hours" (showing "Homer Babbidge Library" is currently OPEN) and "Upcoming Events" (listing events like "Science Research Roundtable" and "Introduction to Altmetric"). At the bottom of the page, there is a footer with contact information, policies, and start guides.
