
🔗 **Understanding Plagiarism.** Interactive tutorial. <https://uconn.libwizard.com/f/plagiarism>

Includes a review of concepts to help avoid plagiarism, including:

- unintentional plagiarism
- common knowledge
- quoting, paraphrasing, and summarizing
- self-plagiarism
- opinion
- other students' work
- using images
- fair use and public domain
- citation styles
- proofreading

The tutorial provides feedback on both correct and incorrect answers and allows students to retry until the correct answer is chosen, although the incorrect answer is recorded as part of the overall score. There is an option to receive a copy of the results via email.

🔗 **Understand Citations** module in Research Now, the Library's series of research skills development guides. <https://guides.lib.uconn.edu/understandcitations>

Includes:

- Introduction to citations, including why and when to cite
- How to integrate sources into assignments (quoting, paraphrasing, summarizing)
- How to read citations
- Links out to guides on citation styles, citation management, and "Understanding Plagiarism" tutorial

🔗 **Citation Guides and Management Tools Guide** <https://guides.lib.uconn.edu/citationguides>
